File No. 2-4-24

CANADIAN JOINT STAFF
WASHINGTON

2222 S Street N. W.
Washington 8, D. C.

22 February 1945.

Colonel J. R. Lovell,
Mil. Int. Division,
Room 2-E, 737 Pentagon,
Washington, D.C.

My dear Colonel:

Following our conversation last week,
I sent an informal telegram to Colonel Murray, ad-
vising him that you would probably be requisitioning
for the following Canadian personnel:

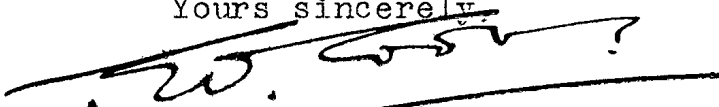

- (a) Not less than 6 Japanese Language .
personnel for use at Camp Ritchie;
- (b) Six or more C.W.A.C. personnel, one
of whom is to be an Officer, for Intelli-
gence work at Ritchie.

I added that the probable effective
date would be around April 1st., 1945.

I think it would serve a useful purpose
if the official request for this personnel could be
addressed through the usual channels to Commander, Cdn.
Army Staff, as soon as convenient to you. This would
avoid unnecessary delay, and facilitate selection in
Canada.

With kind regards,

Yours sincerely,

(P.W. Cook)
Lieut.-Colonel, G.S.,
(Oprs. & Int.)

*As to outcome of your request,
I think I should grade (a)
as certain, (b) as probable, depending on availability.*
